

STARGAZER

WINE CLUB

From when I released the first Stargazer wines in 2013 I have been overwhelmed by the wonderful support I have received. The Stargazer Wine Club gives me an opportunity to thank loyal supporters by ensuring you receive an allocation of my wines each year. This is my way of maintaining contact with those of you who have enabled me to keep doing what I love as well as providing exclusive access to limited edition wines, the opportunity to attend Stargazer events and to be hosted at the new tasting room.
